- Panel discussion from 3 NZ listed company CEO's
  - Jeff Greenslade, Pyne Gould Corporation Limited
  - Rod Drury, Xero Limited
  - Rob Lang, AMP NZ Office Trust

### Speakers Include:

#### DR JOHN MCDERMOTT

Assistant Governor and Head of Economics  
Reserve Bank of New Zealand

Dr McDermott joined the Reserve Bank of New Zealand in June 2007. The purpose of the Economics Department is to advise the Governor on the economic outlook and the management of monetary policy. John will give an "off-the record" presentation on a variety of issues pertaining to the RBNZ's management of monetary policy.

#### ANNABEL COTTON

Commissioner for Financial Advisers  
Securities Commission

Annabel Cotton is a business consultant and holds directorships with Genesis Power Limited, Kingfish Limited, Barramundi Limited, Marlin Global Limited and a number of private companies. She will be presenting on the Code Committee's progress on the new regulations, and implications for advisers.

#### WILLIAM J. BUECHLER

President, Chief Investment Officer  
Buechler Capital Asset Management

Bill Buechler is the lead portfolio manager of the Kiwi-Pacific Fund, investing with a concentration on energy, infrastructure and oil & gas exploration and development. Bill will present his outlook on the future of NZ's petroleum industry. Are we the new Norway?

#### FIONA MACKENZIE

Head of Trading and Liquidity  
NZX Limited

Fiona spent the last five years in US and then Asia ex Japan institutional equity sales at Morgan Stanley, based in New York and San Francisco. Previous to this Fiona was in the office of the Chief Financial Officer at Credit Suisse.
